RE: You must pay the state a Manufactured Home Relocation Trust Fund Fee by December 15.

Dear Manufactured Home Park Owner,

In 2007, the Minnesota Legislature created the Minnesota Manufactured Home Relocation Trust Fund. The Trust Fund is used to provide manufactured homeowners compensation in the event that all or part of their manufactured home park closes. Pursuant to Minnesota Statute 327C.095, you must pay $15 per licensed lot within your manufactured home park. Enclosed is an invoice with the amount you owe. Please pay this amount by December 15.

Why do I have to pay a fee?
If the balance in the Minnesota Manufactured Home Relocation Trust Fund is less than $2 million on June 30 of each year, the state must assess each manufactured home park owner a fee of $15 fee for licensed lot in their park. The fees are collected by Minnesota Management and Budget. All collected fees are deposited into the Minnesota Manufactured Home Relocation Trust Fund.

2019 Legislative changes
This year, the Minnesota Legislature enacted several changes to when and how the state assesses and collects fees:

- Fees are now assessed when the balance in the Trust Fund is less than $2 million on June 30 of each year. This is a change from the $1 million fund balance.
- Assessment notifications must be sent to manufactured home park owners by July 31 each year. This is a change from the July 15 notification date.
- By September 15, you must distribute to all residents the enclosed notice, without alteration, about the Relocation Trust Fund and collection of the $15 fee.
- Residents of manufactured home parks are now required to pay the park owner by November 30 of each year if there is an assessment. Residents must be provided reasonable opportunity to pay the fee by the deadline.
- If you provide the required notice to residents of the $15 lump sum fee by September 15 and the resident does not pay you by November 30, you may then deduct the fee from the overall assessment on the invoice.

What does a manufactured home park owner need to do?
1. Review the enclosed invoice for accuracy. You must adjust the payment to Minnesota Management and Budget by adding lots if the total number of homeowner-occupied licensed lots is incorrect on the
invoice. You may also subtract any lots that are vacant, non-homeowner occupied such as rental homes, or uncollected fees where the homeowner did not pay you the $15 fee.

2. Distribute the notice to all residents by September 15.

3. Allow residents an opportunity to pay the $15 fee until November 30.

4. Use the enclosed form to collect information on which park residents and lots have been accounted for. Return a copy of this form with your payment. We will not share homeowner names with third-parties or non-government entities.

5. For seasonal parks please notify Minnesota Management and Budget that your status is still seasonal by:
   • Fill in check box on the enclosed invoice and return to Minnesota Management and Budget; or
   • Fill in check box on the enclosed invoice and fax it to 651-296-8685; or
   • Email ManuHomeRTF@state.mn.us with your status.

6. Send a check payable to Minnesota Management and Budget with the correct amount to the address on the enclosed invoice by December 15.

7. Each of these steps must be completed to be eligible to subtract any lots from your payment.

Questions?
For questions related to this notice:

• View the Frequently Asked Questions on our website at mn.gov/mmb/debt-management/cash-management/mn-manufacture-home/
• Email: ManuHomeRTF@state.mn.us
